

<b>Study programme:</b> Applied Security		
<b>PhD DEFENCE</b>		
<b>Lecturer:</b> mentor		
<b>Course status:</b> Required		
<b>ECTS:</b> 10		
<b>Requirement:</b> /		
<b>Course aims</b>		
Acquiring theoretical and practical knowledge on the manner and form of preparing and presenting research results for the scientific-professional public. Students gain experience in the public presentation of the PhD thesis (defense), and answer questions and remarks regarding the submitted dissertation and the presentation itself.		
<b>Course outcomes</b>		
Training students for preparing and presenting the results of PhD thesis for public defense. Students gain the ability to independently express their own attitudes and arguments, that is, critical thinking in response to questions raised and remarks on the subject.		
<b>Course content</b>		
The student prepares the defense of a written PhD thesis in agreement with the mentor, in accordance with the applicable rules and procedures. After the implementation of the appropriate procedure in accordance with the general acts of the faculty, the PhD thesis is suitable for public defense.
