<b>Number of active teaching classes:</b> 6	<b>Theory classes:</b> 3	<b>Practice classes:</b> 3	
<b>Teaching methods</b> Teaching takes place through lectures and exercises. Exercises are auditory and practical, students solve tasks from individual chapters, provide additional explanations, and, for example, elaborate individual areas of theoretical knowledge. During the course, student is obliged to perform the planned exercises. Knowledge testing takes place through two colloquiums. The condition for the final exam is that the student places both colloquiums and successfully exercises. The final exam consists of an oral exam.			
<b>Knowledge assessment (max 100 points)</b>			
Pre-exam tasks	Points	<b>Final exam</b>	Points
