John Keegan: Intelligence in War: Knowledge of the Enemy from Napoleon to Al-Qaeda, Goodreads, 2003.			
Number of active teaching classes: 6	Theory classes: 2	Practice classes: 4	
Teaching methods Teaching is conducted through theory and practice classes. Practice classes are auditory and practical, and they solve tasks from individual chapters, provide additional explanations and examples to elaborate specific areas of the lectures. During the realization of the course, the student is obliged to do the planned practices. Knowledge assessment takes place through two mid-term tests. The condition for the final exam is that the student passes both mid-term tests and successfully realizes practical classes. The final exam consists of an oral exam.			
Knowledge assessment (max 100 points)			
Pre-exam tasks	Points	Final exam	Points
In-class activity		written exam	
Practice classes	10	oral exam	50
Mid-term tests	40		
Seminar papers
